

# CALL FOR COVID-19 INNOVATION

## CALLING FOR INNOVATION RELATED TO CORONAVIRUS: DATA, DIAGNOSTICS, TESTS, TELEHEALTH, OR OTHER SOLUTIONS.

Whether you have technologies that may help speed up the R&D process for finding treatments or you have solutions that can help with diagnostics, home care, hygiene or telemedicine, we want to meet you. This is a broad call for innovations that can aid the public, patients, and health professionals alike.

**DEADLINE: 23/06/2020**
