

URGENT FUNDING FOR RESEARCH INTO HUMANITARIAN CRISES LIKE EPIDEMICS AND PANDEMICS

The Austrian Science Fund (FWF) is calling on researchers to submit project proposals for research into humanitarian crises such as epidemics and pandemics.

The fast track procedure is open to all research proposals that deal with the prevention, early detection, containment, and research into the causes and effects of epidemics and pandemics such as SARS-CoV-2. This also includes projects that focus on the technical, ecological, economic, political, legal, medical, cultural, psychological, or ethical implications of SARS-CoV-2.

DEADLINE: 30/09/2020
