

COVID-19 Open Innovation Challenge

Roche Canada is committed to working in partnership with our Canadian community to develop solutions to the challenges of the COVID-19 pandemic

ROCHE CANADA COVID-19 INNOVATION CHALLENGE

Roche Canada is committed to working in partnership with our Canadian community to develop solutions to the challenges of the COVID-19 pandemic. To move this forward, we have established the Roche Canada COVID-19 Innovation Challenge - a funding program to support our community in bringing forward innovative ideas to address some of the biggest challenges and issues of the COVID-19 pandemic. Whether you are a biologist, data scientist, student, patient, or someone with an innovative mind and wants to make a difference, we need you!

DEADLINE: 10/04/2020
