

# COVENT-19 CHALLENGE

The CoVent-19 Challenge is an open innovation 8-week Grand Challenge for engineers, innovators, designers, and makers. We will be launching the Challenge on the GrabCAD Challenges platform on April 1, 2020. We welcome all who are interested to join a two round challenge that aims to create CAD assemblies by May 1, 2020 (Round 1: General Admission) and functional prototypes demonstrating acceptable performance by June 1, 2020 (Round 2: Invitation Only).

**DEADLINE: 23/06/2020**
