

CSO COVID-19

RESEARCH FUNDING PROPOSAL

The Scottish Government is making funding available for research aimed at tackling the challenges posed by the Covid-19 pandemic. Scotland's chief scientist is calling on Scottish universities to apply for funding in research that will inform clinical practice and policy in dealing with COVID-19. Studies can start immediately on award of funding and must be completed within 3 - 6 months.

DEADLINE: 08/04/2020
