Comisión Europea	EU24/19	Join2Procure+ Twinning	This collaborative project between FISABIO and IDIVAL is a continuation of their initial twinning, during which both institutions developed a roadmap for collaborative efforts in innovation procurement and a Joint Statement of Unmet Needs. The project aims to further analyze common challenges faced by both communities, as well as to enhance their training and address the knowledge areas that still require further development.	6 meses	14.000,00 €	14.000,00	100%	NO
